

Introduction

This Admission Policy complies with the Education Act 1998, the Education (Admission to Schools) Act 2018 and the Equal Status Act 2000.

The Board of Management of the school drafted this policy in consultation with school staff, the school patron and with parents of children attending the school.

The policy was approved by the school patron on 8th September 2020.

It is available on the school's website, and is also available through the office.

Annual Admission Notice:

Each school year, St Patrick's BNS will publish, on the school website, the admissions notice for the following school year.

This will happen at least one week before the admission process for the next school year starts.

This policy, and the admission notice for the relevant school year, must be read together.

The application form for admission is available on the school's website; it is also linked as an appendix to the admissions policy, and is available through the school office.

Previous Expressions of Interest for Sept 2021 and subsequent years cannot be processed, and applications must be made in the timeframe as outlined in the Admissions Notice of the year prior to starting school.
