every contribution is  
highly valued

thank  
you!

Sincere **THANK YOU** for all the voluntary subs which the PA has received on behalf of the school. The amount collected since the start of the year is **€10303.21**. This is essential to enable the continued work of the school for the year ahead.

THANK YOU  
TEACHERS

Thank you for helping us to keep home schooling alive with videos, app's, inspiration and content that support continued learning for our children.

Good luck to all the parents too who are busy juggling 'life' now!

**STAY SAFE & HEALTHY**

## School Calendar

The PA launched a very successful calendar in December. We are delighted to report that this raised **€5115.80** for the school.

We are very thankful to our local sponsors who contributed to the funding of the calendar.

A shout out to our calendar team Gayle, Maura & Martina who brought this fundraising project to life from scratch and to Ms. Baxter who supported us by taking those magic photos of the boys during class time. Thank you also to Asta from Tutor prints who created the calendar for the PA team.

## National Parents Council

Karina will continue to keep us informed with all the activities which the NPC are running. We will communicate update through the class WhatsApp groups.

## HOME SCHOOLING

There are two articles shared by the NPC which you might find helpful. Both articles give guidance about this subject of home schooling and can be found online @The Irish Times.

[Home Schooling Help - how not to mess it up this time!](#)

We collected uniforms from parents before Christmas and have been sorting and washing. Thank you for the donations. We plan to schedule a sale of these in June before the end of the school year.
