PRO

## GOALS &

## OBJECTIVES

Focused on creating a positive & supportive environment for students, families, & the wider school community

## Support the School

- Fundraising to provide additional resources to benefit students
- Volunteering time & skills to assist with school events

## Build Community

- Many of our events focus on the school community & the surrounding area coming together e.g. Halloween Fair, First Holy Communion Receptions
- Faciliate opportunities for parents to meet and network at parents information evenings etc.

## Enhance Communication

- Assist with communication to parents
- Engage parents for feedback on school matters, policy updates etc.
