No. 358 of 2020).

Compliance Status

This website is partially compliant with the Web Content Accessibility Guidelines (WCAG) 2.1 Level AA due to the non-compliances and exemptions listed below.

Non-Accessible Content

The following content is not fully accessible:

- Some older PDF documents may not be fully accessible to screen reader software.
- Some images may not yet have appropriate alternative text, therefore users relying on screen readers may not understand those images.
- Video content published prior to September 2020 may not include captions (subtitles).

We are actively working to address these issues as new content is updated.
